It is seen from the returns received from certain Deputy Commissioners so far that Education Cess levied at 2 annas in the Rupee of Mohatarfa taxes collected is not regularly credited to the elementary education funds at the end of every month, as required under rules. It is merged in the General funds in some cases like Myaktha cases for keeps in deposit in other cases.

Again in case of the Municipalities Contributions due to various Government departments have not yet been paid

2 Two revised Drafts are submitted for Consideration

5/5 7/5 We have examined the inspection reports of the returns received so far from the Dists of Shimoga & Kadur and it is seen that, in the case of the Education Cess, the realizations are not credited to the Elementary Education fund every month as required by the standing orders. Some returns it is reported to the General funds & utilized for normal expenditure. It is therefore necessary to draw the attention of the Presidents of the Taluk Boards to this irregularity & the it might be warned of the standing orders & that action be taken to that effect in future in case any such irregularity is noticed in the second point is about

Contributions due to Various Depts of Govt from Mills

667 E

The adjustment of contributions due by the Mills to the several Departments of Govt they are very heavily in arrears & in some cases they will not be agreed on till the demand bills are sent by the Comptroller & the several Govts examine them & a suitable draft is put up for approval.

I think the draft may be kept approved

I am separately preparing a note showing the defects common to several of the Inspection Reports of the Mills, with suitable entries for the Officers Concerned to see that the correct replies Some of these defects are repeated every year, which shows that the inspection has served no useful purpose and no visible improvement is noticeable in the working of the Mills It will be sent shortly

To Official Memorandum

From the note of Executive Officer of certain Municipalities received from the Deputy Commissioners of Districts, it is seen, that the Education Cess, which is being levied at the rate of 2 annas in the Rupee on the Mohataffa and other taxes collected in the Municipalities is either merged in the general revenues of the Municipalities or kept under the debit head of Deposits, instead of being credited to the Elementary Education Fund regularly at the end of every month as required by the rule

This procedure is highly irregular

The D. Cs of Dts are required to issue strict instructions to the Presidents of Municipalities to ~~to stop the practice at once and~~ to see that the realisations under the head are credited promptly and regularly to the Elementary Education Funds at the close of every month. Under no circumstances should the amount be kept in deposit or utilised for the normal expenditure of the Municipal Council. Any deviation from the procedure may be brought to the notice of Govt

Sir,

I am directed to observe that it is seen from the note of Inspection of certain Municipalities received so far, that the annual contributions due to various Govt. departments are not paid promptly before the close of the year by the Municipalities concerned as required by Standing orders and to request you to issue necessary instructions to the Presidents of the Municipal Councils in your Dvsn. to the effect that all such contributions should be

invariably paid before the close of the financial year
In case the demand bills for such contributions are not received in the
showing the demand on this respect, the same should be
obtained from the Comptroller or the Department Concerned
and arrangements made to adjust the contributions due
A Consolidated report of action taken in this behalf
all the Zones and Town Municipalities in your District
should be submitted to Govt by the end of Aug 1943 In
Cases where any contributions are remaining unpaid,
the reasons for the same should be furnished in the
report, with information as to when they would be expected
